

# change of venue...

First is a partial change of venue to enhance the smooth flow of the camp day. We will be spending the first 2 weeks of our first camp and the first 3 weeks of our second camp at the **Trotter Activities Center**, formerly the home of the San Marco Family YMCA. The Trotter Activities Center is located 0.2 miles from Theatre Jacksonville at 1435 Atlantic Blvd. Camp Theatre Jacksonville will have access to the classroom areas on the 3rd floor for instruction and rehearsal as well as the large gymnasium for morning and afternoon activities. There is a very safe and easily accessible pick up and drop off area with several designated parking spots. The final week of both camps will be back on stage at Theatre Jacksonville where the campers will have technical rehearsals for the end of camp showcase performances.

# activities

We're so pleased to announce that in addition to our traditional summer camp, which begins on July 16, **we will be offering an alternative 3 week concentrated camp in June**, where the final product is a kids production of Broadway's **A Year With Frog and Toad**.

# exciting summer projects...

As has been the tradition of Camp Theatre Jacksonville for over two decades, our staff is gearing up for some very exciting summer projects full of the music, dancing, and acting the likes of which our campers, their families, and friends have come to expect and love! We're very eager to present a few changes to our regular routine that we hope will further invigorate the creativity and energy of our campers.

take a peak inside!

## Getta Loada Us!

We're so excited to be presenting the 3-time Tony Nominated Broadway musical **A YEAR WITH FROG AND TOAD** by Robert and Willie Reale. Arnold Loebel's well-loved characters hop from the page to the stage in this wonderfully heart-warming musical. Conceived by Mr. Lobel's daughter, Adrienne Lobel, **A YEAR WITH FROG AND TOAD** remains true to the spirit of the original stories as it follows two great friends, the cheerful and popular Frog and the rather grumpy Toad through four fun-filled seasons. Waking from hibernation in the spring, they proceed to plant gardens, swim, rake leaves and go sledding, learning life lessons along the way, including a most important one about friendship and rejoicing in the attributes that make each of us different and special. Campers will get the experience of putting up a fully staged production with light costuming, directed and choreographed by our professional staff.

## There's No Business Like Show Business

Led through four fun filled and action packed weeks of camp by our team of trained and professional instructors, campers delve into theatre through daily classes in acting, musical theatre, dance, and improvisation. At the end of the session campers take the stage in an original piece created especially for them by camp faculty. Watch as they perform at their best, singing, acting, and dancing with an energy that yearly blows the roof off of our Little Theatre.
